PROFILE

A Creative Developer bridging the gap between Data Science logic and UI Design aesthetics. Specializing in building responsive, high-performance web applications using **React.js** and **Tailwind CSS**. Passionate about crafting immersive user experiences through **Figma** prototyping and currently exploring **Motion Design** to bring static interfaces to life.

EDUCATION

B.Tech in Computer Science (Data Science),
Rungta College Of Engineering & Technology

09/2023 - 09/2027
Bhilai, Chhattisgarh
